

PortaDine anywhere anytime™

ENGAGE IN THE FUTURE OF PORTADINE

QUALITY EATING ANYWHERE ANYTIME

THE ALL NEW PORTABLE, 3 IN 1 BBQ, WITH INNOVATIVE FAT/
MOISTURE EXCHANGE TECHNIQUE FOR HEALTHY & SUCCULENT FOOD

PORTADINE MOBILE HYDRA GAS BBQ

.....

The newly invented infused moisture system
replaces lost water during the cooking process to
deliver mouth-watering gourmet results you will love!

DELIGHT YOUR FAMILY & FRIENDS

WITH THE MOST HEALTHY AND TENDER MELT
IN YOUR MOUTH MEALS YOU'VE EVER TASTED!

The secret is in our innovative fat/
moisture exchange design technique.
The food does not dry out or become
chewy because of the replaced infused
moisture that gives you amazing results.

It was carefully designed to keep all food
suspended for clean cooking, the fat
becomes quarantined in the moisture
infusion tray and does not permeate
back into the food.

This is the ultimate lightweight
multi-functional barbeque.

With this amazing new mobile device you
can cook kebabs, whole chicken, steaks,
shoulders, sausages, kofta, fish, prawns etc.
With the integrated stove you can fry eggs,
chips, boil water, vegetables and more.
All of this anywhere anytime!

IT GRILLS, ROASTS, BOILS, STIR-FRIES & MUCH MORE!

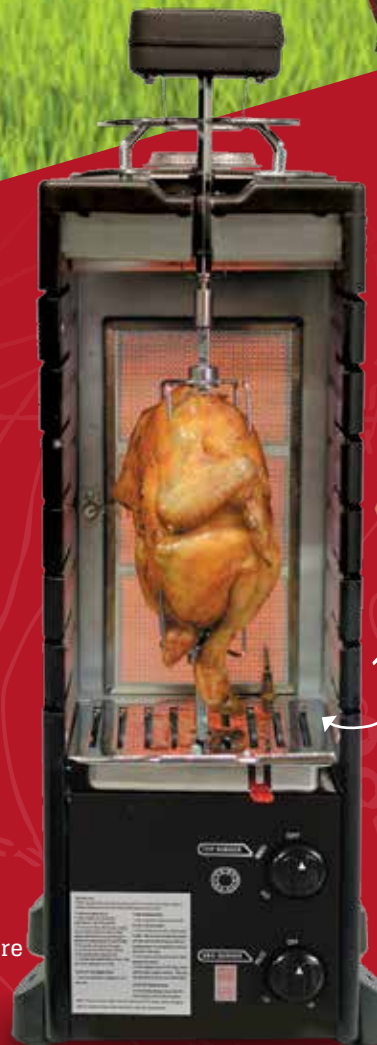

.....

THE UNIT IS ECONOMICAL TO OPERATE PLUS HAS MANY OTHER FEATURES:

- ✓ Infrared honeycomb ceramic burner for uniform cooking heat distribution
- ✓ Dual Fuel operation (on board disposable gas cartridge or external LPG bottle)
- ✓ Seven skewers multi-position kebab vertical holders
- ✓ Spit & mesh rotisserie grill kits
- ✓ Innovative fast & slow hybrid cooking in one stage
- ✓ Use outdoors around home or out & about
- ✓ Integrated stove
- ✓ Instant start cooking
- ✓ Aromatic herbs can be added to the infusion tray for self-flavouring
- ✓ Green cooking with less energy consumption and air pollutants
- ✓ Automatic tip over gas & flame shut down function
- ✓ Automatic flame outage gas off safety switch
- ✓ Ceramic Burner equipped with oxygen depletion sensor
- ✓ Ceramic burner overtemperature safety gas cut off system
- ✓ Top burner motor mounting safety disable device
- ✓ Easy to clean

IT IS EXTREMELY EASY TO CLEAN, SIMPLY RINSE THE MOISTURE TRAY & YOU ARE READY FOR YOUR NEXT BBQ!

The PortaDine Barbeque is ideal for parks, beaches, camping, road rest areas, perfect for open balconies, back yards and pool sides.

Last but not least our innovative special configured vertical burner layout design and the moisture infusion technique delivers succulent and healthy results every time. Your food is enveloped with moisture and has zero contact with the cooking surface, this helps to avoid unhealthy blackened burnt food.

The Hydra PortaDine BBQ is your healthy cooking solution allowing you fine dining anywhere anytime you choose.

ALL OF THIS ANYWHERE, ANYTIME

PORTADINE MOBILE HYDRA GAS BBQ

MODEL	PB13
COLOUR	Black
